

TAKING ROOT

A PROPAGATION WORKSHOP

Presented by members of the
Bedford Area Master Gardeners
Association

At the Bedford Central Library
Saturday, March 19th
At 10:30 AM

Join us as the Master Gardeners teach us about the science of propagating (growing/multiplying) plants from seeds and cuttings. The Master Gardeners will also be providing every participant with seeds and cuttings to practice the techniques they have learned during the workshop!

Topics To Be Covered Include...

- ★ Collecting and Storing Seeds
- ★ Plant Dormancy
- ★ Transplanting Seedlings
- ★ Propagating with Plant Cuttings
- ★ Plant Dividing
- ★ Tip vs. Mound vs. Air Layering
- ★ And More!

Registration is Required.*

Sign up online @ bedford.librarycalendar.com

* This workshop will be cancelled if our minimum registration of 5 participants is not reached.
